SUBJECT: (C) IRAN: DENMARK SUPPORTS UNSC SANCTIONS

REF: STATE 95073

Classified By: (U) Ambassador Laurie S. Fulton; reason 1.4 (b, d)

[¶1.](#) (C) In response to reftel demarche, FM Per Stig Moeller told Ambassador September 16 that he supports additional UNSC sanctions on Iran, which cannot be trusted, and that he told his EU colleagues this on September 14. He assessed that the Iranian political opposition had succeeded in making inroads using the argument that the regime is isolating the country from the world by its irresponsible conduct. Moeller added that Iran was on his agenda for the meeting he was about to have with the Vietnamese president.

[¶2.](#) (C) Moeller noted that he had heard from EU High Representative Javier Solana September 14 that a meeting was set between Iran and the P5 1 for October 1, with the nuclear issue on the agenda.
